

IF NOT YOU, THEN WHO??

MAKING SIGNIFICANT CHANGES IN THE
SUSTAINABILITY OF LIFE, LAND AND WATER

You are invited to attend the first of three inspiring and informative public talks about developing a more sustainable world

SUSTAINABLE DAILY LIFE :

Reducing your impact on the environment

Come along and find out practical and simple ways to avoid food wastage, conserve household energy and participate in community actions that benefit the environment.

When : Thursday 22 May at 6.30pm

Where : The Centre

Chisholm Street Wangaratta

Cost : Free

Bookings : The Centre on 5721 0200

Presented as part of the Generations Project which is supported by the Victorian Government through the provision of a Victorian Community Support Grant from the Community Support Fund

Talk 2 :Sustainable Land & Livelihoods - 19 June 2008
Featuring Andrew Campbell, formerly Executive Director of Land & Water Australia

Talk 3 : Sustainable Rivers – 17 July 2008
