

# IF NOT YOU, THEN WHO??

MAKING SIGNIFICANT CHANGES IN THE SUSTAINABILITY  
OF LIFE, LAND AND WATER

You are invited to attend the second of three inspiring and informative public talks about developing a more sustainable world

## SUSTAINABLE LANDSCAPES & LIVELIHOODS

A big picture exploration of the choices we face in trying to sustain our landscapes, our communities and our businesses in a carbon, water and energy constrained world.

Andrew Campbell is involved in research and policy and is a former CEO of Land & Water Australia. He was Australia's first National Landcare Facilitator.
